**USASF Gym Certification now Available**

*Free for all members!*

A standard of excellence for All-Star Cheerleading and Dance Gyms is now published. In continued efforts to bring legitimacy and safety to the sport USASF will review and certify gyms. Gyms will be expected to follow stringent guidelines to maintain a safe, healthy and positive environment. These guidelines include Back ground checks, CPR and Credentialing for all coaches, full coverage first aid, AACCA Safety Course Certification for the gym director.

United States All Star Federation qualifies gyms nationwide with proper application and supporting materials. It is of utmost importance that Gyms follow these safety guidelines to legitimize the value of all star cheerleading.

“This is the baseline standard for safety. By setting the bar here gyms across the country can reach the excellence cheerleading deserves.”

- Amy Clark USASF Area Director

Certification information is available on [www.usasf.net](http://www.usasf.net).

**USASF**

A nonprofit in the state of Tennessee, the mission of the U.S. All Star Federation is to maximize the number of participants benefiting from the positive life experiences of all star cheerleading and dance by developing guidelines consistent with the latest best known safety, educational and ethical practices.
