

## USASF/IASF Event Producer & Affiliate Memberships 2010 - 2011

### Overall Guidelines:

1. USASF/IASF membership is open to every event producer. However, not every member event producer will automatically qualify to conduct USASF/IASF sanctioned competitions and/or award World's bids.
2. All member event producers are required to complete and sign each year:
  - USASF/IASF Event Producer Member Application that includes the agreement with: 1) the mission of the USASF/IASF, 2) the USASF/IASF rules, safety guidelines, and sanctioning standards, and 3) conducting business in a way that will support and further the mission of the USASF and 4) the terms and conditions of the USASF Company Member Agreement.
  - USASF/IASF Event Producer Member Agreement
3. USASF Event Producer membership and sanctioning approval will be done by the Sanctioning Committee with the final consent of the USASF/IASF Board of Directors.
4. The decision to sanction USASF/IASF Event Producers to give World bids will be based on the criteria below. The goal is to not over saturate any given market with Worlds bids such that the competitive value of the bids is diminished. At a minimum, qualifying competitions must provide 2 performances such as a prelims and finals or 2 performances combining scores at least for World's qualifying divisions. In addition the sanctioning committee will consider the other following criteria.
  - The date the company became a member of the USASF/IASF,
  - The location of the competition the member desires to give bids,
  - The number of bids being given by other companies in that market,
  - The date of the bid qualifying event
  - The requested Level of the bids they will give.
5. Event Producers awarding any World's bids must fully comply with the Worlds logo requirements, including the proper usage of specific "Paid" and "Partial Paid" bid logos.
6. The verification for minimum Tier 1 and 2 team requirements will be preliminary performance results.
7. Companies that qualify to be Tier 1 must be Tier 1. (exceptions require an appeal)
8. No monetary awards, including cash, can be attached to Worlds bids other than the funds for Full and Partial Paid bids.
