I am a COACH

P

...to play by the Rules.

I will lead by example, demonstrating fair play and faith in event officials. I understand it is the spirit of the rules that protect the integrity of the sport and I will uphold that integrity with honor.

R

...to respect; my athletes, other teams and event officials.

I will put the emotional and physical well being of my athletes above all else, including any internal desire or external pressure to win. I understand that their safety is my primary concern. I will treat all other teams, and team members, with the utmost respect in every possible circumstance. I understand that the integrity of our sport is dependent on the ethical choices of its' leaders, therefore I will not recruit from or maliciously take from any other company or program. I will behave within the event's code of conduct, recognizing the authority of event officials and workers in every possible circumstance.

O

...to organize sportsmanship conduct for parents and participants.

I will make a stance for sportsmanship, setting expectations of participating with respect, competing with integrity, winning with character and loosing with dignity. I will organize a parent's packet that clearly outlines the sportsmanship promise.

M

...to make pursuit of victory more important than winning.

I will teach that striving to win, rather than winning itself, is what is important in life. I understand that the integrity in which we perform and accept an award is a true gage of success. That it is a privilege to be recognized as the best, in a division or event.

I

...to integrate positive life lessons on and off the mat.

I will devote my energy to teaching life skills and cheerleading skills. I understand that the life lessons I give to my athletes will stay with them much longer than any medal or trophy.

S

...to see the big picture & exercise self control in adverse circumstances.

I will increase focus and intensity at practice rather than retaliation or blaming. I understand that I am responsible for my behavior, and I will not allow profanity, anger or disrespect to be a part of any of my interactions including social media and in person.

E

...to exemplify sportsmanlike conduct.

I will be a positive example and portray the character qualities I expect from my athletes. I understand that I am a leader and that every choice I make affects those who follow me. I will uphold the promise to the best of my abilities, and always work to improve myself, my team and my sport.
