I am a PARENT

P

...to protect our athletes and sport.

I will do my best to ensure the safety of our athletes by observing activities and reporting unusual behavior to the appropriate authority.

R

...to respect the coaches, other teams and event officials.

I will treat all coaches, teams and parents with respect at all times. Even when I disagree with others' decisions or comments, I will use self control in all discussions. I will behave within each Event's code of conduct at all times.

O

...to offer my services when needed.

Whenever possible, I will volunteer to help my program and my sport. Whether I serve as a team parent or on an industry committee, I will use my skills and time to improve my program and sport.

M

...to make pursuit of victory more important than winning.

I will teach that striving to win, rather than winning itself, is what is important in life. I understand that the integrity with which we perform and accept an award is a true gauge of success. That it is a privilege to be recognized as the best; in a division or event.

L

...to interact, in person and on the internet, with integrity.

I will not comment negatively about my opponents on any form of social media: facebook, youtube, message boards, etc. Instead, I will seek to use social media in a positive manner whenever possible. I understand that commenting with integrity reflects positively upon the image of my sport, my program and myself.

S

...to see the big picture and exercise self control in adverse circumstances.

I understand that I am responsible for my behavior and I will lead by example. I will not allow profanity, anger or disrespect to be a part of any of my interactions especially at events

E

...to exemplify sportsmanlike conduct.

I will be a positive example for my athlete and my gym. I understand that as a parent, I am a role model for my athlete and the rest of the athletes in the gym. I will uphold the promise to the best of my abilities and always work to improve myself, my team and my sport.
