**Current Rule/Policy:**

*For International Level 5 & 6, so long as they fit into the age range, an athlete can cheer for team A on a regular all-star and also cheer on an International team at another gym*

**New Rule/Suggestion of Change:**

*Make the rule that to be on an international team you must be part of that gym.*

**Perceived Benefit from New Rule/Suggestion of Change:**

*The rule was made to allow coaches to continue to cheer if their gym didn't have a team for them. Now gyms are recruiting kids to be on their international team while still cheering for their original gym. It is causing much confusion and gym problems.*
