PROFESSIONAL RESPONSIBILITY CODE V4.0

iPromise (USASF Code of Conduct) was developed by a subcommittee of the USASF National Advisory Board. iPromise is co-supported by the Parent's Action Committee, NCSSE and AACCA. The USASF CODE OF CONDUCT and the PRC intends to provide standards of ethical conduct for the coaches involved with the USASF and its member organizations. It provides the General Principles and Ethical Standards which cover many situations encountered by coaches, with its principle goals the welfare and protection of the participants. All members of the USASF are expected to respect and protect human and civil rights and not knowingly participate or condone unfair discriminatory practices.

COACH Sportsmanship Code of Conduct

Play by the rules. I will lead by example, demonstrating fair play and faith in event officials. I understand it is the spirit of the rules that protect the integrity of the sport and I will uphold that integrity with honor.

Respect athletes, other teams and event officials. I will put the emotional and physical well-being of my athletes above all else, including any internal desire or external pressure to win. I understand that their safety is my primary concern. I will treat all other teams and team members with the utmost respect in every possible circumstance. I will behave within the event's code of conduct, recognizing the authority of the event officials and workers in every possible circumstance.

Organize sportsmanship conduct for parents and participants. I will make a stance for sportsmanship, setting expectations of participating with respect, competing with integrity, winning with character and losing with dignity. I will organize a parent's packet that clearly outlines the sportsmanship promise.

Make pursuit of victory more important than winning. I will teach that striving to win, rather than winning itself is what is important in life. I understand that the integrity in which we perform and accept an award is a true gage of success. That is a privilege to be recognized as the best, in a division or event.

Integrate positive life lessons on and off the mat. I will devote my energy to teaching life skills and cheer and dance skills. I understand that the life lessons I give to my athletes will stay with them much longer than any medal or trophy.

See the big picture and exercise self-control in adverse circumstances. I will increase focus and intensity rather than retaliation or blaming. I understand that I am responsible for my behavior and I will not allow profanity, anger or disrespect to be a part of any of my interactions including social media and in person.

Exemplify sportsmanlike conduct. I will be a positive example and portray the character qualities I expect from my athletes. I understand that I am a leader and that every choice I make affects those who follow me. I will uphold the promise to the best of my abilities and always work to improve myself, my team and my sport.

PROFESSIONAL RESPONSIBILITY CODE V4.0

ATHLETE CODE OF CONDUCT

Play by the rules. I will learn and obey the rules of my sport and train to perform routines within those guidelines.

Respect myself, my coach, other teams and event officials. I will treat all other teams and team members, with the utmost respect in every possible circumstance. I will respect myself enough to agree to train and compete with my safety and the safety of my teammates as first priority. I will behave within every Event's code of conduct, recognizing the authority of event officials and workers in every possible circumstance. I will appreciate honest efforts that are made fairly in the quest of victory.

Optimize my experience by meeting athletes from other gyms. I understand that all- star cheerleading and dance offers great opportunities to travel meet athletes from other programs and learn to respect my competitors.

Make pursuit of victory more important than winning. I understand that winning isn't everything, but rather my will to train to win that matters most. While victory shall be my expected goal, defeat is not a disgrace.

Interact, in person and on the internet, with integrity. I will not comment negatively about my opponents on any form of social media: facebook, youtube, message boards, etc. I understand that doing so reflects poorly upon the image of my sport, my program and myself.

See the big picture and exercise self-control in adverse circumstances. I will increase focus and intensity at practice rather than retaliate or blame others. I understand that I am responsible for my behavior, and I will not allow profanity, anger or disrespect to be a part of any of my interactions. I will not allow the prospect of defeat to be an excuse for unethical or unsportsmanlike behavior.

Exemplify sportsmanlike conduct. I will be a positive role model on my team and within my community. I understand that I am leader and that every choice I make affects those who follow me. I will uphold the promise to the best of my abilities and always work to improve myself, my team and my sport.
