Meet the candidates for the Cheer National Advisory Board:

Jessica Moltisanti, Owner, Zone Cheer All-Stars

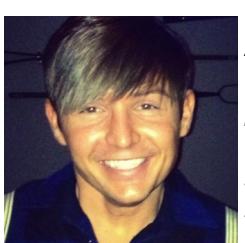

I became part of the All-Star industry in 2009 with small gym of 16 participants. Within the past 6 years of growing our program in the allstar industry I have grown not only as a business owner, a coach but as a thriving person in the allstar industry. I always want to help not only my own gym grow but others programs to grow as well and I feel that I constantly put myself in the position of wanting to learn more for my self and the industry. I have been on both ends of the industry first as a small gym owner and now as a large gym owner. I value all of the amazing role models I have learned from in the industry that have helped make a difference and I work very hard to continue to grow into a strong gym owner and role model in the industry. I am planning on being around for years to come and would love to help everyone achieve that same goal. As one of the finalist in the USASF's 2014 coach of the year and Regional advisory Board members I would love to offer myself more in anyway I can.

Sarah Wharton Rhino, Program Director & Coach, Peachtree Allstars & Georgia Tech

Sarah Wharton Rhino has been the Director of Gymnastics & Cheerleading at Peachtree Presbyterian for 10 years taking a program of 192 students to over 900 students. Peachtree has USAG Competitive Gymnastics Teams and 3 USASF Competitive All Stars competing in the Small Gym Divisions. She is an Assistant Cheerleading Coach at Georgia Tech, who competes Small Co-ed at both Cheersport and NCA College Nationals. She has judged all star cheerleading nationally and internationally for both NCA and UCA from 2003-2010 in Atlanta, New York, Dallas, Costa Rica, Nashville, Orlando, Myrtle Beach and more. Sarah is a member of the Southeast RAB representing small gyms and how we can be competitive in a large gym market. She has a proven success of how to grow a small business and how to impact the total child. She is credentialed USASF Level 5 Stunts, Tumbling & Tosses, GHSA Coach Certified, & USAG Safety Certified. She would love to be able to help small gyms succeed, grow and have a voice.

Brandon Roberts Owner & Coach, ACE Cheer Company

I, Brandon Roberts, Co-Owner of ACE Cheer Company, would like to be considered for USASF National Advisory Board. Understanding the ins and outs of the industry, rules and regulations, growth of our athletes and coaches and overall knowledge of the growth of a sport that is forever evolving, is what fuels my passion. Being a former small gym owner and growing into a large gym owner, I have seen both sides of growth of gyms alike. Located in Hattiesburg, Mississippi, we are a gym that experiences many of the same situations other gyms in rural areas encounter; however, by having 17 other locations across 4 states in the Southeast, I understand what each gym experiences based on demographics. For a sport that is growing as rapidly as ours, I feel that education is the main priority in our industry, as no one person is ever too old to learn. After serving this past year on the Regional Advisory Board, I am ready to take the next step in continuing to help improve our industry on the NAB.
