Steve Peterson reviewed that the purpose of this call is to approve a process for implementation of Athlete ID for 2013-14. Steve asked Karen Wilson, USASF West Regional Director, to adapt the process she currently uses in her region to become a required process for event producers and programs for 2013-14. A sub committee reviewed the process Karen established and it was sent to the Board to review before today's call

After discussion, the Board approved the following:

For the 2013-14 competition season, Athlete ID is required in order for athletes to compete at all USASF Sanctioned Events. Event producers will work in conjunction with USASF Regional Directors to educate participants and process membership applications prior to each event. The USASF will work in cooperation with event producers to provide member status information throughout the competition season.
