Welcome to The Cheerleading Worlds 2017!

The United States All Star Federation (USASF) only hosts two competitions a year – The Cheerleading Worlds and The Dance Worlds. The event producers of premier championships sponsor their best teams to compete at these international competitions. Cheer and dance teams from all over the world may qualify to compete in the applicable Senior Club or International Open Club divisions.

In 2017, each paid bid to The Cheerleading Worlds will cost the sponsoring event producer up to approximately \$25,000 for each team they send. Given this, and the fact that many event producers are giving multiple bids, it is easy to see that these event producers are allocating substantial resources to support the teams that participate in their respective competitions. Event producers select teams of the highest caliber from their national events to represent their respective companies at The Cheerleading Worlds.

Check USASF.net for more details to come. **NEW:** Team scores will no longer be announced following performances during Preliminary and Semi-Final competitions. Results will be announced following the conclusion of each division's competition round.

Senior Club Divisions Awards

Each team will receive a participation trophy. The USASF will award the top 10 teams in all 6 Senior Divisions at The Cheerleading Worlds. Teams ranking first, second, or third also will receive gold, silver, or bronze medallions. First-place teams will receive a championship banner and ring for each participant who performed on the floor.

International Divisions—Levels 5 & 6

Over the past 10 years international participation at The Cheerleading and Dance Worlds has grown from three non-U.S.-based teams representing two countries, to more than 150 cheer teams representing over 32 countries outside of the USA. The combined efforts of all involved in the USASF/IASF over the last few years have brought much needed change and opportunity for industry growth, both in the United States of America and across the globe. It is an understatement that The Cheerleading and Dance Worlds would exist in name only without the participation of international member event producers and all star gyms/teams from over 32 countries.

International Open Divisions—Levels 5 & 6

The 2017 Cheerleading Worlds International Open Levels 5 and 6 divisions will be as follows:

International Open Level 5 Divisions

Int'l Open (All Girl)	14 yrs & older, no males	5-24 members
Int'l Open Small Coed	14 yrs & older, 1-4 males	5-24 members
Int'l Open Large Coed	14 yrs & older, 5-12 males	5-24 members

International Open Level 6 Divisions

Int'l Open (All Girl)	17 yrs & older, no males	5-24 members
Int'l Open Small Coed	17 yrs & older, 1-4 males	5-24 members
Int'l Open Large Coed	17 yrs & older, 5-15 males	5-24 members

Competitor's Age - Year of the Competition

ALL International Open Divisions (Levels 5 & 6) will follow the age requirement known as the "International Standard" for determining the required age of a competitor. This standard is followed in most sports around the globe. The age of a competitor will be determined based on the date of birth falling during the "year of the competition." **Example:** A competitor who turns 14 by December 31, 2017 will be eligible to compete at the 2017 Worlds in an International Open Level 5 Division.

NOTE: The USASF/IASF recognizes that teams and event producers from the USA must follow the current 2016-17 USASF Age Grid and Guidelines at all Worlds Bid Qualifiers. However, teams from the USA receiving The Cheerleading Worlds bids and attending the 2017 Cheerleading Worlds may use substitution/alternate athletes to form a team that matches the guidelines listed above for the 2017 Cheerleading Worlds for these select divisions. Those athletes would have to follow the same eligibility, substitution and alternate guide-lines for Worlds, including the guidelines

requiring a Release Waiver. These guidelines only impact those teams competing in the 2017 Cheerleading Worlds in the International Open Levels 5 & 6 divisions.

U.S. Worlds Trials

All teams from the United States receiving bids and entering in the International Open Small Coed and International Open Large Coed Level 5 divisions must first compete in The U.S. Worlds Trials beginning Saturday, April 29, 2017. The top 10 U.S. teams in each of the U.S. Worlds Trials divisions will progress to the Worlds International Open divisions Semi-Finals round, with all teams from non-U.S. countries, held Sunday, April 30, 2017 at ESPN Wide World of Sports® Complex. Following the completion of the U.S. Worlds Trials divisions the USASF/IASF will award trophies to the top fourth through tenth-place teams and U.S. Worlds Trials Gold, Silver and Bronze trophies and medallions to the top three teams.

NOTE: International Open 5 & 6 and Open Small & Large Coed Level 6 will not have a U. S. Worlds Trials competition.

Canadian Worlds Trials

All teams from Canada receiving bids and entering in the Worlds International Open Level 5 division must first compete in The Canadian Worlds Trials beginning early Saturday, April 29, 2017. The top 10 Canadian teams in each of the Canadian Worlds Trials divisions will progress to the Worlds International divisions Semi-Finals round, with all teams from non-Canadian countries, held Sunday, April 30, 2017 at ESPN Wide World of Sports® Complex. Following the completion of the Canadian Worlds Trials division the USASF/IASF will award trophies to the top fourth through tenth-place teams and Canadian Worlds Trials gold, silver and bronze trophies and medallions to the top three teams. **NOTE:** International Open Small & Large Coed Level 5, International Open and Small & Large Coed Level 6 will not have a Canadian Worlds Trials competition. The Worlds International divisions Semi-Final rounds held Sunday, April 30, 2017 at ESPN Wide World of Sports® Complex will include the top 10 U.S. teams and Canadian teams from each of their Worlds Trials divisions and all teams from other countries. A maximum of three of the highest scoring teams from each country in each International division will progress from Semi-Finals to the Finals held on Monday, May 1, 2017 at ESPN Wide World of Sports® Complex. The performance order for all divisions will be reverse-seeded based on the Semi-Finals results.

International Division Awards

The USASF/IASF will award the top 10 teams in all six International divisions at The Cheerleading Worlds. Each team will receive a participation trophy. Teams ranking first, second, or third also will receive gold, silver, or bronze medallions. First-place teams will receive a championship banner and ring for each participant who performed on the floor.

USASF/IASF Nations Cup Championship

In addition to the USASF/IASF awarding the top 10 in each of the International divisions, the USASF/IASF will award the top 5 countries (ranking of nations) in each of those divisions as well. This will be determined by ranking each country's highest scoring team in the division's finals.

The Cheerleading Worlds Paid Bids

Paid bids are awarded to the best teams in one or more of the Worlds Divisions at The Cheerleading Worlds qualifying events. Each event producer hosting a Worlds bid-qualifying event has the discretion to select the divisions and determine the process by which bids are awarded.

All teams awarded a paid bid will be awarded, by the sponsoring event producer, up to a maximum of \$650 times the number of athletes on the floor where the bid was awarded, plus two coaches. For example, a bid-receiving team that had 31 athletes on the floor plus two coaches will be awarded up to \$21,450. This amount will be used towards the team's USASF Worlds accommodation packages and transportation to Orlando. Additional expenses incurred will be the responsibility of the team/gym. Event producers will not be responsible for late fees if their representing team does not meet the registration deadline. Event producers will not be responsible for change fees if their representing team has to make changes to the original registration and/or travel.

The Cheerleading Worlds At-Large Bids

At-large bids are generally awarded to runner-up teams or the next highest scoring teams to the paid bid-winning team(s). However, each event producer that hosts a Worlds bid-qualifying event has the discretion to select the divisions and determine the process by which the bids are awarded. Recipients of at-large bids are eligible to compete at Worlds; however they must pay for their own Worlds accommodation packages and all other related expenses.

Event producers should publish the procedures they will follow for awarding bids prior to the start of their qualifying competition. An event producer may not award more than one bid and/or type of bid to the same team.

Bid Receiving Requirements

A team that receives and accepts any type of Worlds bid must compete at Worlds in the same division they competed in at the qualifying event where their bid was awarded. The number of participants that performed on the competition floor at the qualifying event where the team received their bid may not be exceeded by the number of participants competing in that same division at The Cheerleading Worlds.

Teams Attending Worlds Requirements

- must represent a current USASF Member Gym/Organization.
- must be USASF Member Athletes (registered and paid).
- must have USASF Credentialed Coaches with current Professional Membership to enter the Worlds warm-up and backstage areas.
- may not compete in the same division at The Cheerleading Worlds and also at a 2017 end of season, multi-brand event.

Coaches/Gym Owners/Organizations

- may not send a team to compete in the same division at The Cheerleading Worlds and also at a 2017 end-of-season, multi-brand event.
- must be a current gym member of the USASF and in good standing with the USASF.
- must be credentialed in either building, tumbling, or both up to the level at which their team competed at the bid-qualifying event and will compete at The Cheerleading Worlds. See [Deadline for Coaches Credentials on page 7](#).
- must be recognized as a USASF Professional Member.

- non-coaching owners may enter the warm-up room with their team if they meet requirements of Professional Membership and they are accompanied by a coach who meets the above requirements.

Bid Limitations

A team may receive no more than one similar type bid to The Cheerleading Worlds for any given division. Should a team already have been awarded a bid to The Cheerleading Worlds, decline acceptance of a paid/at-large, or fail to accept the paid/at-large bid by the 72-hour deadline, that bid may be transferred to an alternate team at the sponsoring event producer's discretion. The sponsoring event producer may not transfer (hand down) any at-large bids or declined at-large bids after 96 hours from the end of their qualifying event. If a team has already accepted an at-large bid and opts to compete for another bid, they will be eligible only for a paid bid. They will not be eligible for another at-large bid unless they decline the first at-large bid they were awarded, BEFORE competing for another at-large bid. Accepting or declining bids must be done in writing to the sponsoring event producer and/or the USASF.

Athlete Eligibility Limits-Earning Multiple Paid Bids

Athletes within the same program are limited to the number of teams on which they are eligible to compete and earn paid bids. Once an athlete has competed for a team and earned a paid bid, they are permitted to move to another team within their program. If their second team earns a paid bid, they are bound to the second team and may only compete with the second team at Worlds. They no longer are eligible to compete with the first team once the second team is awarded a paid bid.

The number of athletes that have already earned a paid bid that are eligible to compete for and be awarded a paid bid on a second team is limited:

- Small teams may have up to 3 athletes that were previously awarded a paid bid.
- Medium teams may have up to 4 athletes that were previously awarded a paid bid.
- Large teams may have up to 5 athletes that were previously awarded a paid bid.

Replacements/Substitutions at Bid-Qualifying Events

All athletes competing at a bid-qualifying event must be listed on the official roster as active athletes and compete on Day 1. Should a team need to make any substitutions on Day 2 at the bid-qualifying event, they will be allowed to replace up to three active athletes with reserve athletes for the second performance. The athletes that took the floor on Day 1 will be considered the original team members on the Worlds Roster. Any reserve athletes (up to 3) that take the floor on Day 2 will be considered eligible substitutes on the Worlds Roster.

The number of athletes that may be replaced on Day 2 is limited:

- Small teams may replace up to 3 athletes
- Medium teams may replace up to 4 athletes
- Large teams may replace up to 5 athletes

NOTE: The coach of the team is responsible for communicating any replacements or substitutions from Day 1 to Day 2 to the event producer. The event producer will note any changes made from Day 1 to Day 2 on the roster that was submitted by the team. Day 2 substitutions must meet all the eligibility

requirements to compete as an athlete at that particular bid qualifier representing said team.

At Worlds, in the event of an injury, alternate and substitute athlete(s) may be used, as needed, as long as they meet eligibility requirements and have been approved during the roster verification appointment. Alternate and substitute athlete(s) must be competition-ready and in the venue where the team is competing. Alternate and reserve athlete(s) must report, ready to warm-up and compete with the team, within 15 minutes of the injury.

Roster Violations at Bid-Qualifying Events

Any team or program found to be in violation of rostering guidelines at bid-qualifying events and/or The Cheerleading Worlds is subject to disciplinary action that may include, but is not limited to: disqualification, fines, denied participation in future events and/or USASF membership revocation.

Deadline for Bid Acceptance

Paid and at-large bid winners must accept the bid and complete and return the Bid Winners Acceptance Form to the sponsoring event producer that awarded the bid. The form must be returned to the sponsoring event producer within 72 hours after the last day of the event where the bid was received. This means each team will need to decide prior to the Worlds bid-qualifying event whether it will accept the bid should they receive one. And if so, who will be going and what the travel specifics will be. The purpose of this tight timing is to control last-minute changes that increase costs and make the entire travel experience disorganized. Should a team already have been awarded a bid to Worlds, decline acceptance of a paid/at-large, or fail to accept the paid/at-large bid by the 72-hour deadline, that bid may be transferred to an alternate team at the sponsoring event producer's discretion. The sponsoring event producer may not transfer (hand down) any at-large bids or declined at-large bids after 96 hours from the end of their qualifying event.

Once a team accepts its bid, all required registration materials must be completed by the the deadlines noted on page 11 of this packet. Any team holding its registration in hopes of receiving a paid bid at a later Worlds bid qualifier but is unsuccessful in achieving this, will be charged a late registration fee.

International Teams (Non U.S.-Based)

Copies of all participants' birth certificates or passports must be with the team's coach/representative at all times and readily available upon request from a Worlds official. Copies of the athletes' birth certificates on a USB/zip drive are acceptable (pdf, jpg or doc).

All International teams must submit a completed International Team Roster as found on page 16 of this packet.

USA-Based Teams Competing in International Divisions

USA teams competing in International divisions must provide a copy of their official USASF roster to the event producer at the event where they are competing to receive their bid to Worlds. The official USASF roster will list all athletes who have been registered as USASF Athlete Members and include their USASF Athlete ID numbers. All U.S. cheer participants (original team members, alternates, substitutes) must be USASF Athlete Members in order to join the team in the warm-up room/area and compete at The Cheerleading Worlds.

IMPORTANT: Each participant's name and USASF Membership

ID number will be required on The Cheerleading Worlds official team roster form due by the team's Worlds registration deadline found on page 11 of this packet. For more information about USASF Athlete Membership, please contact your USASF Regional Director. USASF Regional Directors contact information is located at www.USASF.net.

International Visas

All visa requests must be received and processed by February 15, 2017 and team registration packets and required documents must be received by the noted deadlines on page 11 of this packet.

Deadline for Coaches Credentials

ALL coaches must be credentialed before they arrive at The Cheerleading Worlds. Coaches who are not credentialed before they arrive at the 2017 Worlds, should contact Angela Bruno in the USASF office to schedule an appointment to be credentialed after they arrive in Orlando. An additional \$500 on-site administrative fee will be added to the normal credentialing fee if credentialed by appointment at the 2017 Worlds in Orlando. Coaches who are not credentialed before the 2017 Worlds and fail to make an appointment to be credentialed in Orlando, will have to pay an additional \$200 on-site "walk up" administrative fee added to the \$500 on-site fee and the normal credentialing fee to be USASF credentialed. **NOTE:** Upon completion, coaches/gym owners/choreographers will receive a picture ID card that will allow access into the warm-up room/area. Only those individuals with valid (unexpired) credentials and who meet the following criteria will be permitted:

- must be listed as a coach of the performing team on all paperwork received by the USASF.
- must be a coach in good standing at the gym he/she is representing.
- must be a USASF Professional Member.
- must understand that he/she is a representative of the USASF Event Producer that awarded his/her team the bid (paid/at-large) to The Cheerleading Worlds. They agree to act with complete respect, sportsmanship, and graciousness at all times while representing the USASF Event Producer they represent at The Cheerleading Worlds.

ONLY USASF-credentialed coaches, gym owners and choreographers will be permitted with their team in the practice and backstage areas.

Submitting Video for Legality Review

In an effort to ensure a penalty-free competition, each team is encouraged to submit a video of their Cheerleading Worlds performance routine. This video should clearly show all stunts and tumbling so that they may be reviewed for legalities. Routines will be reviewed by an independent, neutral safety judging panel comprised of members of the USASF Rules Committee and/or its delegates. To secure confidentiality, the results of this review will be communicated only to the participating gym and will not be shared with other gyms or with The Cheerleading Worlds judging panel. Videos sent after the **April 14, 2017 deadline** WILL NOT be reviewed.

- Videos should be emailed to: rules.cheer@USASF.net
 - Video tips: www.USASFrules.com/cheerquestions/
 - Review results will be shared with teams by April 21, 2017
- The USASF highly suggests that each gym take advantage of the opportunity to have its routine(s) reviewed prior to The

Cheerleading Worlds. Regardless of whether a penalty was received earlier in the competition season or not, this review is the only means of helping to ensure a routine free of safety infractions at The Cheerleading Worlds event.

NOTE: Although routines will be reviewed for potential penalties prior to the competition via video submission, this does not preclude a team from being assessed a penalty while at The Cheerleading Worlds. The USASF will have rules judges in the warm-up area and in the performance arena at The Cheerleading Worlds to ensure that all rules regarding the competition are followed.

Score Sheets

Score sheets for The Cheerleading Worlds will be posted online at www.USASF.net by January 2017.

Athletes, Substitutions and Alternates

All athletes participating on a team at the 2017 Worlds must be a registered member of that team's gym during the 2016–2017 competition season. Any athlete that has competed on the floor with a team in any level from a different gym (primary gym), during the Worlds competition season (November 1, 2016–May 1, 2017), must have a USASF Gym Release Waiver signed by the primary gym owner to be eligible to compete with a secondary gym at the 2017 Worlds. The USASF Gym Release Waiver is found at www.USASF.net.

On The Cheerleading Worlds roster, each athlete's name must be identified as an original, substitute or alternate participant of the team that was on the floor when the bid was received. All team roster names will be verified by the event producer who awarded the bid.

Worlds Substitution Rule

Maximum number of substitutions:

- Small Division Teams - 6
- Medium Division Teams and International Open Teams - 8
- Large Division Teams - 10

The allocated maximum number of substitutions will be allowed per team for The Cheerleading Worlds. A substitute must be a regular-paid participant from another team at the same gym and must have competed "on the floor" with that team from that gym at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as the original team that was awarded a bid (i.e. age, etc.).

Worlds Wild Card Alternates Rule

Of the allowable maximum number of substitutions (above), one to three of those may be Wild Card alternates. Wild Card alternates are registered members of the same team's program that received the bid. Wild Card alternates do not have to be rostered or in attendance at the Worlds bid-qualifying event where the bid was received.

International Open/Coed - Level 6 Alternates

Teams must present a USASF roster at their bid-qualifying event that includes names of the athletes performing "on the floor" at that competition. Additionally, the same Open-Level 6 teams can present (to the EP) a list of up to 10 additional names of athletes (eligible substitutes/alternates) that are members of the gym/program but did not have the opportunity to perform "on the floor" at that event. Those 10 additional athletes must follow the same eligibility, substitution and alternate guidelines for Worlds, including the guidelines requiring a Gym Release Waiver .

Gym Release Waiver

Any athlete that has competed on the floor with a team in any level from one gym (primary gym), during the Worlds competition season (November 1, 2016 – May 1, 2017), must have a USASF Gym Release Waiver signed by the owner of the primary gym to be eligible to compete with the secondary gym at The 2017 Cheerleading Worlds. The USASF Gym Release Waiver is found at www.USASF.net.

Roster Violations at The Cheerleading Worlds

If a team is found to have made an improper substitution or alternate, or has an illegal team member this team:

- will be disqualified.
- may be responsible for repaying the total cost of any funds received through a paid bid.
- may be prevented (along with the entire program from that gym) from being eligible for any type of bid to The Cheerleading or Dance Worlds for the following year.

Paid bids are for team members and two coaches. All sponsored team members must be on the floor during the team's performance at The Cheerleading Worlds. Alternates and/or additional athletes/coaches brought to substitute for unplanned occurrences are not covered under paid bids, will not be funded by the sponsoring event producer and must be eligible for substitution under the aforementioned substitution rules. Should a substitute and/or an alternate become necessary after submission of your team's Worlds roster and after travel plans have been approved and confirmed, any additional costs associated with those substitution(s) must be paid by the gym.

Crossovers

At The Cheerleading Worlds, crossovers of participants between teams from the same gym are NOT permitted. A participant may only compete on one team from a gym/program. Crossovers of participants from other gyms will not be permitted. Crossovers of participants between cheer and dance teams from the same or other gyms are not permitted. In other words, a performer may represent only one gym in either cheer or dance. If a team is found to have made an improper substitution or alternate, this team:

- will be disqualified.
- may be responsible for repaying the total cost of any funds received through a paid bid.
- may be prevented (along with the entire program from that gym) from being eligible for any type of bid to The Cheerleading or Dance Worlds for the following year.

Convenience

When you purchase a Worlds travel package, everything is handled for you. Disney's Magical Express will transport you from the Orlando International Airport (MCO) to your hotel and back again. There is no hassle of renting vans and finding drivers. The USASF registration staff works with Walt Disney World to block your rooms so your entire group stays together and rooms are guaranteed. Booking with us just takes two steps:

1. Arrange transportation that meets your budget and schedule.
2. Complete your registration online and send in your payments.

Savings

Because of our partnership with the Walt Disney World Resort, the USASF is able to negotiate discounted rates for hotel rooms and Disney Park Hopper® tickets which also include admission into competition venues.

Where will we stay?

Accommodations will be provided at Disney's All Star Resort and Disney's Coronado Springs Resort & Convention Center. Your team may choose either hotel. The All Star Resort is a very nice, and economical hotel; the Coronado Springs Resort is more upscale. The only difference in package prices is the hotel cost. All other services remain the same for both hotels. In the event that either hotel sells out before the deadline, USASF will make its best effort to make arrangements with an alternate hotel.

How many chaperones do we need?

One gym owner/coach or responsible adult (21 years of age or older) for every nine participants is required.

Can we have five people in a room?

No. The All Star Resort and Coronado Springs Resort do not allow more than four people to a room. Rollaway beds are not available.

We have an uneven number of athletes. Can we pay the quad rate for three athletes in a room?

No. The travel package prices have been calculated according to how many people are in each room.

We have parents who would like to come to Worlds. Can they sign up for the Worlds travel package?

Of course! Many coaches include parents on the travel package with their teams. However, we encourage family members and friends to register with us directly. Look for the Family & Fans section of this packet beginning on page 12.

We are arriving in Orlando at 10 am on Friday, will our hotel rooms be ready?

Most hotels do not guarantee check in until 4 pm. However, if rooms are ready in your block, the hotel will check you in early. Please be sure to communicate this to your entire group that is traveling with you.

Our team doesn't leave Orlando until 6 pm on Tuesday. What can we do all day?

Check out at our team hotels is 11 am. If you wish, you may take a Walt Disney World shuttle bus to Disney Springs to shop. The hotel will gladly store your luggage, but you will be responsible for picking it up before you depart. **NOTE:** Hotel staff will not move carry-on bags, electronics, and/or trophies.

How do I request a refund?

All refund requests must be submitted in writing or by email to the address below. Include: the gym/team name; reason for the refund; the amount requested; and to whom and where to mail the refund check. The registration office will issue a refund based upon a review of your account file. All refunds are processed AFTER the event has concluded. The average processing time for a refund is four weeks from the date the request is received. Refunds are not issued unless a written request is received.

What does Park Hopper® mean?

A Disney Park Hopper® ticket allows you to visit one or more theme parks on the same day. For example: You may use your Park Hopper® ticket to visit Epcot® in the morning, then Magic Kingdom® that evening and it will be considered only one day of admission. Days used do not have to be consecutive. Park Hopper® tickets issued for Worlds are valid April 23 through May 15, 2017.

Do we use our Park Hopper® ticket for competition?

Yes. Each athlete and coach will need a Park Hopper® ticket to enter the ESPN Wide World of Sports® Complex for the cheerleading competition. Admission to the ESPN Wide World of Sports® Complex is NOT considered a theme park admission, and therefore does not use a day on your Park Hopper® ticket.

Park Hopper® tickets purchased for Worlds are NOT valid admission into cheer/dance venues hosted by other brands and vice versa.

Are discounted Park Hopper® tickets available for family and friends not on the travel package?

Yes, these discounted Park Hopper® tickets are available:

3-day Park Hopper® Ticket - \$255

4-day Park Hopper® Ticket - \$285

5-day Park Hopper® Ticket - \$315

Park Hopper® tickets may be ordered online or purchased at the Worlds Registration desk at Disney's Coronado Springs Resort & Convention Center throughout the event. Disney Park Hopper® tickets provide admission into Magic Kingdom®, Epcot®, Hollywood Studios®, and Animal Kingdom® theme parks as well as five days of admission into ESPN Wide World of Sports® Complex.

When will we receive our Park Hopper® tickets?

You will receive your tickets when you arrive at the Worlds Registration Desk at Disney's Coronado Springs Resort & Convention Center. Tickets will be available for pick up in Orlando Wednesday, April 26 through Friday, April 28, 2017. We are unable to mail Park Hopper® tickets to your home or gym in advance of the event.

If we don't use all the days on our Park Hopper® ticket, may we use it next year?

No. All of the discounted tickets sold at Worlds are valid April 23 through May 15, 2017. These dates are printed on each ticket.

Park Hopper® tickets purchased for Worlds are NOT valid admission into cheer/dance competitions hosted by other brands and vice versa.

Will attending the Worlds Celebration Party take days off of my Park Hopper® ticket?

No. Attending the Worlds Celebration Party at Disney's Hollywood Studios® theme park, will not take a day off of your Park Hopper® ticket.

NOTE: You must have a wristband to attend the Worlds Celebration Party. The World's travel package includes a wristband with each Park Hopper® ticket. Park Hopper® tickets purchased individually DO NOT include a Celebration Party wristband. A wristband may be purchased for \$40.

Do spectators have to purchase a Disney Park Hopper® ticket in order to watch the competition at ESPN Wide World of Sports® Complex?

No. Family and fans who DO NOT purchase Worlds travel packages or Park Hopper® tickets through the USASF may purchase one-day admission tickets as described below.

Worlds Team Roster and Music Licensing Verification Process

U.S.-Based Teams

- All teams based in the United States will submit rosters through their USASF profiles as they have throughout the 2016-2017 season.
- All athletes must meet all participation, substitution and alternate guidelines. See page 7 for more information.
- All U.S. athletes listed on your official roster for The Cheerleading Worlds must be USASF member athletes and denoted as such. This includes all active, alternate and substitute athletes.
- Athletes not listed on the roster as active, alternate or substitute athletes, or without a paid membership, will not be permitted to take the floor at Worlds.
- For assistance, please contact your USASF Regional Director.

Submitting U.S. Team Rosters

1. Go to www.USASF.net.
2. Log in to your USASF organization profile.

1. Contact your Regional Director to schedule your appointment.
2. Bring a printed copy of your Official Event Roster for The Cheerleading Worlds.

In addition, the paperwork for any/all athletes who are not U.S. citizens, but participating on a U.S.-based team, will be reviewed.

It is our goal to offer a positive event where good sportsmanship is the major theme, and all rules and safety rules are followed. The USASF member event producers fervently encourage and support fairness, integrity and sportsmanship among participants, and coaches/program owner/directors in all facets of cheerleading and dance, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities, and believe that coaches/program owners/directors are instrumental in promoting and instilling this among their respective team members.

- I understand that only USASF MEMBER ATHLETES may compete at The Worlds!

- I understand my position as a role model for my team and will conduct myself in a professional manner at all times; and I understand that my behavior is subject to disciplinary action if it violates the Professional Responsibility Code.
- I will display good sportsmanship and require such of my cheerleaders, parents/family of performers, including on social media.
- Smoking and the use of alcohol by an athlete is prohibited at any Worlds event location. An athlete in violation of this rule is subject to immediate disciplinary action including ineligibility for the current Cheerleading Worlds. If the violation occurs after the athlete competes, yet during the event timeframe at any Worlds event location, then suspension for the following competition season will be implemented.

Rules & Regulations

I. General Guidelines

The Cheerleading Worlds competition will follow the most recent version of the USASF General Rules and Age Grid. Refer to the USASF.net website for details. For dance teams, refer to The Dance Worlds Information and Registration Packet or www.USASF.net.

II. Competition Area

- A. Participants must start and end within the competition boundary and may line up anywhere inside the competition area to begin their routine. The competition area will be determined by the tournament director according to the size of the facility being used. Approximate floor size will be 54 feet wide by 42 feet deep (9 panels). All skills must originate and be completed within the competition boundary. No lineups, skills, or transitions are allowed outside of the competition boundary. The competition boundary is defined as the actual competition floor/spring floor, the carpet bonded foam panels that connect to the spring floor, and any additional border that supports/ surrounds the floor.
- B. A deduction will be assessed per occurrence for an athlete that makes contact outside the competition boundary.
NOTE: the deduction amount will be included in Worlds Score Sheets that will be posted online in January 2017.
- C. If a sign or prop is thrown outside the performing area, that team will receive a deduction for each violation. Signs or props may be placed or dropped outside the competition boundary by a team member who must remain inside the competition boundary area. All center markers are prohibited.

III. Music and Limitations

- A. Routine performance time may not exceed 2:30. Timing will begin with the first movement, voice, or note of music, whichever comes first. Timing will end with the last movement, last voice, or note of music, whichever comes last.
- B. All introductions (tumbling, entrances, chants, spell-outs, etc.) are considered part of the routine and are timed as part of the performance. There should not be any organized exits or other activities after the official ending of the routine.
- C. There is no buffer when competing at The Cheerleading Worlds. It is our suggestion to have your routine time at 2:28 or under so you do not incur an overtime penalty. Each routine is timed live during the performance by a minimum of three time keepers and/or methods of timing. The lowest time of these three time keepers will be used to give the team the benefit of the doubt. If a routine is deemed to be over time, the head judge or a competition official will then go to the video and manually time the routine again. If the routine is still overtime, a penalty will be assessed. **NOTE:** Penalty points will be included with the Worlds Score Sheets that will be posted on the USASF website in January 2017.
- D. If a team exceeds the time limit, a penalty will be assessed. **NOTE:** the point deduction amount will be posted when the Worlds Score Sheets are posted in January 2017.
- E. BECAUSE PENALTIES ARE SEVERE, IT IS RECOMMENDED THAT ALL TEAMS TIME THEIR PERFORMANCE SEVERAL TIMES PRIOR TO ATTENDING THE COMPETITION AND LEAVE A SEVERAL SECOND CUSHION TO ALLOW FOR VARIATIONS IN SOUND EQUIPMENT.
- F. All teams who advance to The Cheerleading Worlds may use as many songs in the musical portion of their routine as they like.

- G. Routine music used at The Cheerleading Worlds must comply with applicable copyright law. At Worlds, all teams must provide proof of licensing. This will be reviewed during roster check appointments (see page 16). This may include:
- proof of purchase from a USA Cheer preferred provider.
 - if using a single song, the receipt from the song's purchase.
 - if using an editor, proof of purchase from a preferred provider and proof of licensing for all sound effects and voiceovers included in the mix. Editors do not have to be on the preferred provider list but must be able to provide teams these required proofs of purchase and licensing.
- If you have additional questions about the music guidelines, please contact your USASF Regional Director.
- H. Teams may not use Disney themes nor costumes that resemble Disney characters. However, Disney music is acceptable if the music licensing guidelines are followed.
- I. Each team is required to assign a responsible adult who knows the routine and music to stay at the music station during the team's performance. This representative is responsible for starting the music and stopping the music in case of technical malfunction or injury. Please make sure that all devices are fully charged, placed in airplane mode, and the volume is turned up. If using a CD, make sure it is free of scratches to avoid skipping.

IV. Athlete Behavior

- A. Athletes of teams at The Cheerleading Worlds are expected to exhibit the utmost of sportsmanship, respect and support throughout the entire event. Periodically there were concerns that a high standard of "decorum" was not being followed consistently by all teams in the performance venue at performance time, and also by some gym members/fans viewing the routine. To see examples of acceptable and unacceptable floor entrances and exits, please visit: www.USASFrules.com/FloorExamples/. To address these concerns The Cheerleading Worlds follows the policies written below.
- B. When teams are introduced, they are expected to take the floor within a 30-second window and assume the starting position for their routine. At the conclusion of the routine, competitors are expected to exit the performance floor immediately, again within a 30-second window of time.
- C. From the time the team is announced the protocol for entering and leaving the competition floor is expected to reflect a "team" environment.
- D. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized for by event judges. These actions may include, but are not limited to, things such as:
1. Taunting another team. Taunting may be defined as the use of baiting or taunting acts and/or words that engender ill will between teams.
 2. An athlete calling unnecessary attention to her/himself (i.e. high 5s, chest bumps, etc.).
 3. Excessive pre- or post-competition team rituals (team bonding traditions must take place behind the stage area).
 4. Public displays of affection.
 5. Stepping outside the competition boundary to approach coaching staff, crowd members and/or other members of the audience.
 6. Excessive celebration (i.e. athletes wrapping their legs around coaches and/or each other, victory dances, etc.). Any prolonged, excessive, or premeditated celebration by

individual athletes or a group of athletes while on the competition floor.

7. Coaching staff, parents, fans and/or other members of the performing gym entering the competition boundary before, during or after a performance (unless in direct response to an obvious athlete injury). The only people allowed on the performance floor are the competitors and competition personnel.
8. Participants collapsing to the floor following a performance when an injury does not seem apparent. It will be assumed that any athlete who is not able to maintain a standing position is in need of medical attention and will be treated as such.
9. Teams will be assessed a point penalty for exhibiting unsportsmanlike, unprofessional, disrespectful and/or unsupportive behavior. The amount of the penalty will be determined by the competition officials. Note: Penalty points will be included with the Worlds score sheets that will be posted on the USASF website by January 2017.

V. Image Guidelines

- A. Judges reserve the right to assess warnings and/or deductions when a team's choreography does not meet the appropriate standards.
- B. COVER UP GUIDELINES -- Athletes with non-full top uniforms must wear a t-shirt or other suitable cover up over their uniforms unless they are in the warm-up area, traveling as a group directly to or from the warm up area, or on the performance stage.
- C. APPROPRIATE CHOREOGRAPHY — All facets of a performance/routine, including both choreography and music selection, should be appropriate and suitable for family viewing and listening.
- D. Examples of inappropriate choreography may include, but is not limited to, movements such as hip thrusting and inappropriate touching, gestures, hand/arm movements and signals, slapping, positioning of body parts and positioning to one another.
- E. Music or words unsuitable for family listening, which includes, but is not limited, to swear words and/or connotations of any type of sexual act or behavior, drugs, explicit mention of specific parts of the body/torso, and/or violent acts or behavior are other examples of inappropriate choreography. Removing improper language or words from a song and replacing with sound effects or other words may still constitute "inappropriate".
- F. Music or movement in which the appropriateness is questionable or with which uncertainty exists should be assumed by the coach to be inappropriate and removed as to not put their team in an unfortunate situation.
- G. MAKEUP — Makeup should be uniform and appropriate for both the performance and the age of the athletes. Face/eyelid rhinestones are not allowed. False eyelashes are allowed but may not be decorated in rhinestones or additional jewelry.
- H. BOWS — Bows should not be excessive in size (acceptable bows are generally no more than 3" in width) and shouldn't be a distraction to the performance. Bows should be worn in a manner to minimize risk for the participants, should be adequately secured and should not fall over the forehead into the participant's eyes, or block the view of the participant while performing.

- I. GENERAL UNIFORM GUIDELINES — No risqué, sexually provocative or lingerie-looking or inspired uniform or garments allowed. All uniform pieces should adequately cover an athlete and must be secured to eliminate any possible wardrobe malfunction. Appropriate undergarments must be worn. In addition to the following guidelines, athletes also must consider that a combination of uniform pieces may also deem a uniform appropriate or inappropriate. ALL garments must properly cover the athlete and the athlete's undergarments during the routine.
- J. UNIFORM SKIRT/SHORT GUIDELINES — When a skirt is worn as part of the uniform, briefs under the skirt are required. The skirt must fully cover the hips. The skirt must completely cover the briefs and must fall 1 inch below the briefs (regular and boy-cut briefs). When shorts are worn as part of the uniform, there must be a minimum of a 2" inseam.
- K. UNIFORM TOP GUIDELINES — Uniform tops must be secured by straps or material over at least one shoulder or around the neck (tube tops are not allowed).
- L. Visit www.USASF.net for more information about uniform guidelines.

VI. Spotter Policy on Main Competition Floors

The Cheerleading Worlds WILL provide spotters for all main competition floors for ALL divisions. All teams during this time MUST use the provided spotters on the main competition floor.

VII. Spotter Policy in Rehearsal Areas

- A. Senior Divisions —The Cheerleading Worlds WILL NOT provide spotters in the rehearsal areas. Senior Division teams may provide their own spotters in the rehearsal area or elect not to use spotters. The use of additional spotters is not mandatory and will be at the discretion of the Senior Division team coach or gym owner. USASF will have spotters available upon request in all rehearsal areas.
- B. International Open Divisions — The Cheerleading Worlds WILL provide spotters in the rehearsal areas for teams competing in the International Open and International Open Coed Level 5 and Level 6 divisions.
- C. Additional Spotters — Definition: Individuals on the rehearsal floor provided as a safety precaution to spot certain elements of a routine. Additional spotters:
 1. must be USASF Member Athletes or USASF Credentialed Coaches with professional membership.
 2. should only be used during the stunt, pyramid, and/or basket toss sections. Additional spotters are provided for added safety and should stand at the back of the floor when not spotting those sections.
 3. should not touch, assist, or save skills being performed. Additional spotters should only be used to prevent a fall to the rehearsal floor.
 4. should be dressed so that they are presentable, professional, and distinguishable from the performing athletes. Program-provided additional spotters should not wear clothing similar to the performing team's uniform.
 5. should not dress or act in a manner that distracts from the athletes and their performance.
 6. should be at least 18 years old and familiar with spotting the skills of the performing team.

NOTE: To provide the safest competitive environment, team should not attempt skills beyond their ability level.

VIII. Interruption of Performance

A. Unforeseen Circumstances

If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

B. Fault of Team

In the event a team's routine is interrupted because of failure of the team's own representative, is non-injury related, equipment and/or music related, the team must continue the routine. The degree and effect of the interruption will be determined by the competition officials and a possible penalty will be assessed. The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

C. Injury

1. The only individuals that may stop a routine for injury are: a) competition officials, b) the gym owner/head coach from the team performing or c) an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. If permitted to perform again the team must (pending the injury's impact on the routine) perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred.
3. If a team needs to re-perform a routine but fails to do the routine in its entirety, (example: throwing a back tuck instead of the full twist thrown in the original performance) then this team may receive a penalty at the discretion of competition officials.
4. The injured participant that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from: first, the medical personnel attending to that participant, the parent/guardian (if present) AND THEN the head coach/director of the competing team.
 - b. If the medical personnel do not clear the participant, the participant can only return to the competition if a parent or legal guardian in attendance signs a return to participation waiver (excluding a suspected concussion).
5. In the event of a suspected concussion, the participant cannot return to perform without clearance from a licensed medical professional that has training related to head injuries (medical doctor or designated official specifically trained in concussion management), even with a waiver from a parent or legal guardian.
6. In addition to the USASF head injury policy, we encourage you to be familiar with the specific law of the state where the competition is being held.

IX. How to Handle Procedural Questions

Any question concerning the rules or procedures of the tournament will be handled exclusively by one designated representative of the team (i.e. gym owner/director, coach or captain) and will be directed only to a competition official. Such questions should be made prior to the team's competition performance. Any questions concerning the team's performance should be made to a competition official immediately after the team's performance.

X. Interpretations and Rulings

Any interpretation of any aspect of these Rules and Regulations or any decision involving any other aspect of the tournament will be rendered by the Worlds Competition Rules Committee. The Worlds Competition Rules Committee will render a judgment in an effort to ensure that the tournament proceeds in a manner consistent with the general spirit and goals of the tournament. The Rules Committee will consist at minimum of the Tournament Director, Head Judge, the USASF Rules Committee Chairman and/or a tournament official designated by the Chairman. The Tournament Director may appoint additional qualified members to those listed above to be members of the Worlds Competition Rules Committee.

XI. Finality of Decisions

By participating in this championship, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative or procedural review of such decisions.

XII. Sportsmanship

All participants agree to conduct themselves in a manner displaying good sportsmanship throughout and following the tournament. The directors, coaches and program owners of each team are responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document above.

XIII. Deductions and Disqualifications

Any team in violation of The Cheerleading Worlds Rules & Regulations will be assessed a deduction for each violation. (A deduction is possible for athlete behavior violations as stated under section IV.) Any team that does not adhere to the teams and procedures of the General Competition Rules will be disqualified from the competition and automatically forfeit the right to any prizes or awards presented by the competition. In addition, the team may also forfeit the opportunity to participate in The Cheerleading Worlds the following year.

XIV. Scores and Rankings

Individual judges' score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores in a particular division. Scores and rankings will be available only to program/gym directors and coaches at the conclusion. Ties will not be broken, except in some cases to determine the set number moving into finals and or gold, silver and bold places in finals.

XV. Tournament Facility

The competition is scheduled to be held at ESPN Wide World of Sports® Complex HP Field House and Jostens Center. The tournament officials shall have the right to alter the time and location of the competition in the event changes become necessary due to final registration, inclement weather, facility problems, television production requirements, or any other situation deemed by the tournament officials to be essential to the success of the championship.

XVI. Television Coverage

The Cheerleading Worlds may be nationally televised. Because of the format of the show, not all finalist teams will be shown on the telecast

XVII. Appearances/Endorsements/Publicity

All teams winning titles, awards or prizes agree to have all appearances, endorsements and publicity approved through the USASF office.

XVIII.USASF Logo Usage

Teams will not be allowed to use the USASF logo or The Cheerleading Worlds logo on items or apparel including banners, rings, bows, t-shirts, etc.
