

LOYALTY

Concepts of Commitment and Dedication

Loyalty – having or showing complete and constant support for someone or something

Commitment - Personal dedication to something or someone, which results in actively promoting and working for their good and well-being

Dedication - single-minded commitment; honoring a commitment no matter what

If you're not loyal to your team, you can get by for a while, but eventually you will need to rely on their loyalty to you, and it just won't be there.
