Online Safety Judge Overview

USASF Cheer Safety Judge Certification Online

Overview:

- Trial year only. There is no guarantee that this will be offered in the future.
- To be eligible to certify you must complete the online webinar during one of the class times offered.
 - There will be a minimum of two options to complete the webinar: September 18th and September 19th from 11:00 am EST – 8:00 pm EST (these are approximate times and subject to change).
 - Additional dates may or may not be added. It will be dependent on registration and demand.
 - The webinar will be video based with Q&A opportunities and mandatory participation throughout (via online questions/polling with required quick typed responses or selections).
- You will also be required to complete an online course called Concussion Wise. It takes about 45 minutes and the cost is \$4.99. It is valid for 2 years once completed.
- You must complete the online test at the completion of the course, the same day, during the scheduled time. Testing will be completed by 8pm EST the same day as the class.
- You will receive your test results, via email, in approximately two weeks from the time you complete all the requirements listed above.
- **You must** register and pay for the course via the link at the bottom of this document. Once you have done that you will be sent a link in an auto reply email to register for the date of your choice.
